COUNTY HOUSEHOLD HAZARDOUS WASTE DISPOSAL SITE OPENING

The Crow Wing County Household Hazardous Waste (HHW) Facility will open beginning April 29, 2015 at the Crow Wing County Landfill Site. The HHW Facility will be open the second Wednesday and second Saturday of each month from 8:00 a.m. to 4:00 p.m. from May through October.

“The HHW site provides a location to properly dispose of old paint cans, cleaners, and other chemicals. It’s time to clean out the garage or basement shelves of these left over products,” stated Mark Liedl, Crow Wing County Land Services Director. “This free service keeps these chemicals out of our environment, protecting our water resources.”

The HHW Facility accepts for free disposal hazardous household waste items such as:

- latex & oil paints, stains and aerosols
- automotive products
- household cleaners
- yard and garden pesticides
- batteries
- mercury containing devices (such as thermometers and switches)

Upon arriving at the County Landfill Site, residents must stop at the Landfill Office. The attendant will discuss the items to be disposed and provide directions to where the HHW Facility is located at the site. It is important to note that all loads coming to the County Landfill must be covered to ensure our roadways are not littered with debris.
