County Landfill to Extend Hours until 8pm for Tree and Brush Disposal

Beginning July 16, the Crow Wing County Landfill will offer extended hours for tree and brush disposal. The Landfill will continue to offer full service during normal business between 8am and 5pm, and will remain open for residents and commercial customers to dispose of trees and brush only from 5pm to 8pm. Additionally, the Landfill will be open on Sunday July 19 from 8am to 3pm for tree and brush disposal only. The Crow Wing County Landfill is located at 15732 Highway 210 east of Brainerd.

“As our community continues the long process of clean up and recovery, hopefully these extended hours will provide an extra helping hand to county residents,” stated Mark Liedl, Land Services Director.

Commercial haulers with large loads wishing to dispose of tree and brush waste during extended hours should contact Landfill Operator Marv Stroschein directly at 218-820-1470. Residents may dispose of tree and brush waste free of charge, with stumps requiring a fee for disposal. The yard waste disposal fee for commercial haulers of \$4/yd. remains the same.

The Land Services Department is committed to providing excellent customer service while helping our residents make wise choices that protect Crow Wing County’s extraordinary natural resources. Citizens are encouraged to contact the Environmental Services Solid Waste Office at (218) 824-1290 or for more information, please visit the Crow Wing County’s Web site at www.crowwing.us and search for “Solid Waste”.
