Crow Wing County Land Services is requesting public comment on proposed revisions to Crow Wing County Ordinance No. 0601, which regulates the use of all-terrain vehicles in County Road right-of-ways.

The proposed ordinance changes can be accessed through the County website at <http://crowwing.us/260/Public-Land-Management>. Copies of the proposed ordinance changes are available from the Land Services Department in Brainerd during business hours or by contacting the Department at (218) 824-1115.

Written comments may be emailed to [landservices@crowwing.us](mailto:landservices@crowwing.us) (Please include “ATV Ordinance” in the subject line), or mailed to: Crow Wing County Land Services Department, Attn: ATV Ordinances, Land Services Building, 322 Laurel Street, Suite #12, Brainerd, MN 56401, Fax: (218) 824-1126.

The County manages 105,000 acres of forest land for timber production and diverse recreational opportunities for multiple users. The sale of timber at public auctions during the year funds the county's management of these lands, while providing revenues to local communities. County forest lands are managed to strict environmental standards established by both the Sustainable Forestry Initiative™ and the Forest Stewardship Council™ certification standards.
