CROW WING COUNTY LAND SALE TO BE HELD NOVEMBER 6

Crow Wing County will hold a public land sale auction on November 6 at 10:00 a.m. in the Land Services Building located at 322 Laurel Street in Brainerd. 117 tracts of tax-forfeited land valued at \$800,000 will be offered for sale at public auction. Properties are located throughout Crow Wing County from the Mille Lacs Lake area in Garrison to Ideal Township, with many lots in Breezy Point and Brainerd.

Properties offered for sale can be searched through an interactive map application available on the Land Services webpage at www.crowwing.us under the search term “land sale.” This application provides links to detailed information about location, size and appraised value for all 117 tracts offered at auction. Interested buyers may also contact Land Services staff at 218-824-1115 or landservices@crowwing.us for more information.

“These tax-forfeited properties have been selling fast over the past two years,” stated Mark Liedl, Land Services Director. “Whether people are interested in sites for building, seasonal use or recreation, there are a variety of tracts available for purchase in Crow Wing County.”

Additionally, 393 properties offered for auction in prior years that remain unsold are available for direct purchase any time over-the-counter. Information on how to purchase these properties is available by contacting the Land Services Department or by searching “land sale” at the County webpage.

The County manages 105,000 acres of forest land for timber production and diverse recreational opportunities for multiple users. The sale of timber at public auctions during the year funds the county’s management of these lands, while providing revenues to local communities. County forest lands are managed to strict environmental standards established by both the Sustainable Forestry Initiative and the Forest Stewardship Council® (FSC®-C031953) certification standards.
