CROW WING COUNTY LANDFILL SITE WINTER HOURS

The Crow Wing County Landfill Site will begin winter hours starting the first weekend in November, open 8 am to 5 pm Monday through Friday. The landfill will be closed on Saturdays and Sundays from November 2015 through March 2016, and will re-open for summer hours starting in April 2016.

The County Landfill accepts household garbage, fiberglass boats, mattresses, furniture, mobile homes, and the following items:

- Free recycling of lead-acid car/marine batteries
- Free recycling of used oil filters, motor oil and anti-freeze is available at the Landfill and several drop-off locations within the County. Visit our webpage for drop-off locations: www.crowwing.us and search "oil."
- Free compost of lawn and garden material (please separate brush and branches)
- Demolition materials may be disposed in the demolition landfill for a fee
- Large appliances, electronics, tires with or without rims, scrap metals, glass, and plastic can be disposed in the landfill for a nominal fee for recycling.

Customers utilizing the landfill must stop at the Landfill Office and speak with the attendant to discuss the items to be disposed, pay any fees and receive directions to the proper drop-off locations. All loads coming to the County Landfill must be covered, and uncovered loads are subject to additional fees.

During the winter months (November through April), Household Hazardous Waste (HHW) will only be taken for emergency situations. An example of this is residents who are moving or an estate that must dispose of hazardous materials, and cannot wait until the HHW program opens in May of 2016. To schedule an appointment, contact the Land Services Department located at the Crow Wing County Landfill at (218) 824-1290.

The Land Services Department is committed to providing excellent customer service while helping residents and our local businesses make wise choices that protect Crow Wing County's extraordinary natural resources. Citizens are encouraged to contact the Solid Waste Office at (218) 824-1290 or environmental.services@crowwing.mn to discuss hazardous waste, solid waste, demolition material, composting, or recycling activities. Crow Wing County information and resources can be found at www.crowwing.us.
