### COUNTY MATTRESS RECYCLING SERVICE SUSPENDED UNTIL FURTHER NOTICE

The Crow Wing County Mattress Recycling Program is on hold until further notice, however mattresses may still be brought in for landfill disposal.

The company that accepts mattresses for recycling has stopped taking deliveries, meaning all mattresses need to be landfilled for the time being.

The landfill disposal fee is \$28 for mattresses of all sizes. "We wanted to give residents a heads up regarding the disposal fee and lack of recycling options", said Ryan Simonson, Environmental Services Supervisor. Residents may wish to hold onto their mattresses and bring them in at a later date for recycling. Another notice will be sent out once the program is back up and running.

If you are visiting the landfill residents need to stay in their vehicles and staff will come to you.

Thank you for your patience and understanding during these unprecedented times. If you have any questions or concerns, please contact our Solid Waste Office at 218-824-1290.

The Land Services Department is committed to providing excellent customer service while helping our residents make wise choices that protect Crow Wing County's extraordinary natural resources.
