## **Temporary Forest Trail Closures on Crow Wing County Managed Forest Lands**

Due to vulnerable trail surfaces during the spring thaw, selected forest trails administered by the Crow Wing County Land Services Department – Natural Resource Management will be temporarily closed to motorized vehicles.

Closure signs will be installed at each trail to inform the traveling public.

Trail conditions will be periodically monitored by forestry staff and when appropriate, the closures will be lifted.

Please help Crow Wing County protect vulnerable forest trail surfaces and minimize maintenance costs in the future by not traveling on forest trails temporarily closed.

The townships and cities where trail closures exist are identified on the Crow Wing County web site at [www.co.crow-wing.mn.us](http://www.co.crow-wing.mn.us). Please see Temporary Forest Trail Closures in the News & Highlights or contact the Crow Wing County Land Services Department – Natural Resource Management at 218-824-1115.
