CROW WING COUNTY SEEKS PUBLIC COMMENT ON SHORT-TERM RENTAL ORDINANCE REVISIONS

The Crow Wing County Land Services Department is requesting public comment on proposed revisions to the Crow Wing County Short-Term Rental Ordinance. The proposed ordinance revisions can be viewed on the County website at www.crowwing.us/ordinance. Written comments on the proposed revisions will be accepted until November 6, 2023, and may be submitted to the Land Services Department at landservices@crowwing.us or mailed to: Land Services Building, 322 Laurel Street, Suite 15 Brainerd, MN 56401, attn.: "STR Ordinance". A public hearing for the proposed revisions to the Short-Term Rental Ordinance is set for November 28, 2023, during the Crow Wing County Board of Commissioners regular meeting.

The proposed revisions will seek to:

- Revise section 2.1 to state that subsurface sewage treatment system requirements must follow county ordinance and state rule.
- Revise section 2.1 to add a definition for travel trailer.
- Delete section 3.3 requiring a license for each individual short-term rental unit on one parcel.
- Revise section 4.1 stating that no license will be issued if a property has three substantiated violations within the prior calendar year.
- Revise section 4.2 to clarify the requirement of a complete application for a license as well clarifying that the ordinance issues a license not a permit.
- Revise section 5.1 allowing holding tanks provided that certain performance standards are met.
- Revise section 5.2 clarifying what structures are prohibited as short-term rental units.
- Revise section 5.2 to clarify that 2 short term rental units are allowed per parcel.
- Add section to clarify the process through which the county will administer a short-term rental ordinance for a city.

Crow Wing County's Short-Term Rental Ordinance was approved by County Commissioners in June 2020, and became effective on January 1, 2021. The Ordinance requires each short-term rental unit to apply for an annual license with the County. In 2023, over 550 licenses have been issued for short-term rentals.
