“BITES FOR LIGHTS” CHRISTMAS LIGHT RECYCLING PROGRAM

The Crow Wing County Land Services Department, in cooperation with Sunrise Sertoma of Brainerd and Crow Wing Recycling, is collecting unneeded Christmas lights and extension cords at select locations throughout Crow Wing County. The copper found in the old extension cords and Christmas lights is recycled through Crow Wing Recycling, keeping these materials out of the county landfill. Proceeds from the recycled materials are donated to local charities. County Environmental Services Supervisor, Tom Strack commented, “We are pleased to partner with Sunrise Sertoma and Crow Wing Recycling to help those in need while promoting recycling.”
