## CROW WING COUNTY RECEIVES OVER 100 COMMENTS ON ZONING ORDINANCE REVISIONS

The Crow Wing County Land Services Department received over 100 comments during the 60 day comment period regarding revisions to the County Zoning Ordinance. The County Board of Commissioners opened the 30 day comment period on October 19, 2010. On November 16, 2010 the County Board then extended the comment period to December 20, 2010.

“I am impressed with the quantity and quality of comments submitted during the comment period. It is evident that people want to be heard about this ordinance amendment. It is great to see so many people engaged in the process” stated County Board Chairman Phil Trusty.

County staff will compile and analyze the public comments over the next 30 to 60 days and forward a report to the Planning Commission based on the public comments received. A public hearing will then be held before the Planning Commission in February of 2011 to discuss the proposed revisions. Following Planning Commission action, the Crow Wing County Board of Commissioners will consider and act on the proposed revisions at an additional public hearing.

The ordinance revisions and public comments submitted can be viewed on the County website at [www.co.crow-wing.mn.us](http://www.co.crow-wing.mn.us). Questions regarding the proposed revision or about the process may be directed to the County at [environmental.services@co.crow-wing.mn.us](mailto:environmental.services@co.crow-wing.mn.us) or by calling (218) 824-1125.
