The Crow Wing County Land Services Department has scheduled two electronics collection events in 2013 for businesses in Crow Wing County. The scheduled events will take place on May 15<sup>th</sup>, between the hours of 9:00 am to 1:00 pm at the Crow Wing County Landfill Site located approximately 7 miles east of Brainerd on State Highway 210. This is an opportunity for businesses to dispose of any of the following electronics:

On the day of the scheduled event, please stop at the Crow Wing County Landfill office and the attendant will direct businesses to the site where the collection takes place. We will off load your equipment, weigh it, and give you a bill of lading for your records. Arrow Global Asset Disposition, Inc. (formally known as Asset Recovery) will verify the equipment and invoice your company within two weeks of the drop-off, so no payment is required during the event.

Arrow Global Asset Disposition uses "NAID Certified with the National Association of Information Destruction" when destroying all data. The cost to dispose of business electronics is 35¢ per pound and Land Services pays the transportation fees. Local units of government that fall under the MN State Contact may pay less on certain items.

Local businesses that plan on participating in this event are encouraged to contact the Environmental Services Solid Waste Office at (218) 824-1290 so paperwork may be completed to expedite the wait time.
