Limited Recreation Motorized Use During the Firearms Deer Season

The Crow Wing County Land Services Department wants to remind off highway vehicle users that recreational riding on forest trails passing through Crow Wing County administered public lands is prohibited during the 2013 State firearms deer hunting season.

This restriction does not preclude the deer hunter, with a valid deer hunting license, to operate an off-highway vehicle (OHV) before the legal shooting time, from 11:00 am until 2:00 pm or after legal shooting hours.

This restriction is in effect from November 9-24, inclusive, in Zone 100 (north of CR #1 and east of State Highway 6) and November 9-17, inclusive, in Zone 200.

All recreational users of county forest lands are reminded to wear blaze orange while they are out in the field during this hunting season.
