LANDFILL DISPOSAL GUIDE AND RECYCLING IN CROW WING COUNTY

The 2023 Crow Wing County disposal guide has been mailed to all Crow Wing County property owners. The guide covers hours of operation, what items are accepted at the landfill, fee schedule, recycling and household hazardous waste programs, and includes a \$10 coupon. The coupon can be applied towards any service at the landfill.

- Limited to one coupon per load
- No change will be given
- Customer is responsible for paying the required special waste tax on applicable items
- Coupon is not redeemable for cash
- Cannot be applied to payments on charge accounts

The new Crow Wing County Recycling Center located at the landfill site will open this Summer. This new building will be your one stop shop for all your recycling and hazardous waste disposal needs. Crow Wing County sponsors three recycling drop sites that are available for use to all County residents.

- Crow Wing County Landfill – 15728 State Highway 210, Brainerd
- Ideal Township Transfer Station – 33503 West Island Lake Drive, Pequot Lakes
- City of Nisswa – 25636 Main St, Nisswa

Crow Wing County continues to exceed the state minimum recycling rate of 35%. Overall, almost 900 tons of material were recycled through the County Recycling Program last year with approximately 29,000 tons recycled through residential and commercial recyclers. “We are exceeding state standards, increasing recycling, and reducing the amount of material being placed in our landfill. Proactive efforts by the county, local businesses and local waste haulers were effective by capturing recyclable materials and keeping them out of the landfill.” stated Jessica Shea, Crow Wing County Operations Manager.

The Land Services Department is committed to providing excellent customer service while helping our residents make wise choices that protect Crow Wing County’s extraordinary natural resources. Please contact our office at (218) 824-1010 if you have any questions or visit the county website at www.crowwing.us and search for “Solid Waste”.
